Lee:

Congratulations on successfully completing BankAmerica Real Estate's residential lending training program. It gives me great pleasure to certify you as a Residential Real Estate Loan Officer.

Your representative code is 085W. It is important that this code be included on the Residential Mortgage Banking Loan Transmittal (RE-338) in the AMGREO field, and on any other forms that request this information.

The time and effort you expended in successfully completing both the Introduction to Residential Lending self-study and the Selling Residential Real Estate Loans class is truly commendable. I know the tools acquired through this program will contribute to your professional growth and the overall success of the Bank.

Again, Congratulations.

Best regards,

cf
