To Whom It May Concern:

This letter is written to recommend Mr. Lee M. Woodard for employment. Since May 1995 until currently, Lee has continually proven to be an asset to our organization. We find him diligent, responsible and completely committed to providing excellent service to our guests and staff members on behalf of First Hotel Amarannten.

His various employment duties have included being Breakfast Manager as well as Assistant Breakfast Manager. Managing up to as many as 13 employees during high-season, his job required working knowledge of our in-house computer operation systems for completing his work tasks; and additionally, providing training to other new employees. Lee is a self-starter, prompt and learns new tasks quickly. First Hotel Amarannten is the 6th largest hotel in Sweden, commonly serving up from 200 to sometimes over 750 guests daily. Thus, it is imperative that we employ staff members who work efficiently and well as a team.

Lee has most recently been instrumental in adhering to tight budget requirements set in motion earlier this year for cost-saving measures, integral for meeting the performance and profitability objectives of our company.

It is with great pleasure that we recommend Lee for any position for which he may pursue. We find him to be very capable, courteous and friendly. We are sure that you will find him an asset to add to your organization.

If you have any questions, please do not hesitate to contact either of us below as we would be glad to act as references on his behalf.

Sincerely,

Anette Lindbom
Assistant General Manager
