To Whom It May Concern:

As Speaker of the House of Representatives, I am pleased to recommend Mr. Lee Woodard for employment with your organization. I have known Lee and members of his family for many years. He has worked for the State of Arkansas in the past, but over the previous nine years he has worked in the field of banking and finance.

I find that Lee is very personable, honest and hard-working. In 1988, he was nominated and selected as an Arkansas Traveler by the Governor of Arkansas. He truly deserves recognition for his willingness to promote the great State of Arkansas.

I highly encourage you to carefully review his credentials because I am convinced that he represents the type of person as well as employee whom you would consider to be a great asset to your business.

If you have any questions or need additional information, please feel free to contact me. I will greatly appreciate any consideration you can give to Mr. Woodard.

Sincerely,

L. L. "Doc" Bryan
